Supply Chain Wizard Cookie Policy

Last Modified: May 24, 2018

This Cookie Policy explains how Supply Chain Wizard, LLC and our affiliates use cookies and similar technologies to recognize you when you visit our websites. It explains what these technologies are and why we use them, as well as your rights to control our use of them.

What are cookies?

A cookie is a small file containing a string of characters that is sent to your computer when you visit a website. When you visit the site again, the cookie allows that site to recognize your browser. Cookies may store user preferences and other information.

Cookies provide a convenience feature to save you time, or tell the Web server that you have returned to a specific page. For example, if you personalize pages on our Websites, or register for the Subscription Service, a cookie helps us to recall your specific information on subsequent

visits. When you return to the same Website, the information you previously provided can be retrieved, so you can easily use the customized features.

Cookies set by the website owner (in this case, Supply Chain Wizard) are called "first party cookies". Cookies set by parties other than the website owner are called "third party cookies". Third party cookies enable third party features or functionality to be provided on or through the website (e.g. like advertising, interactive content and analytics). The parties that set these third party cookies can recognize your computer both when it visits the website in question and also when it visits certain other websites.

Why do we use cookies?

We use first party and third party cookies for several reasons. Some cookies are required for technical reasons in order for our Websites to operate, and we refer to these as "essential" or "strictly necessary" cookies. Other cookies also enable us to track and target the interests of our users to enhance the experience on our Websites and Subscription Service. For example, Supply Chain Wizard keeps track of the Websites and pages you visit within Supply Chain Wizard, in order to determine what portion of the Supply Chain Wizard Website is the most popular or most visited. This data is used to deliver customized content and promotions within the Supply Chain Wizard Website to customers whose behavior indicates that they are interested in a particular subject area. This is described in more detail below.

What types of cookies do we use and how do we use them?

The cookies include:

- Essential website cookies: These cookies are strictly necessary to provide you with services available through our Websites and Subscription Service and to use some of its features, such as access to secure areas.
- Performance and functionality cookies: These cookies are used to enhance the performance and functionality of our Websites and Subscription but are non-essential to their use. However, without these cookies, certain functionality may become unavailable.
- Analytics and customization cookies: These cookies collect information that is used either in aggregate form to help us understand how our Websites and Subscription Service are being used or how effective our marketing campaigns are, or to help us customize our Websites for you.
- Social networking cookies: These cookies are used to enable you to share pages and content that you find interesting on our Websites and Subscription Service through third party social networking and other websites. These cookies may also be used for advertising purposes too.

How can I control cookies?

You have the right to decide whether to accept or reject cookies. You can exercise your cookie preferences by clicking on the appropriate opt-out links provided below.

You can set or amend your web browser controls to accept or refuse cookies. If you choose to reject cookies, you may still use our website though your access to some functionality and areas of our website may be restricted. As the means by which you can refuse cookies through your web browser controls vary from browser-to-browser, you should visit your browser's help menu for more information.

In addition, most advertising networks offer you a way to opt out of targeted advertising. If you would like to find out more information, please visit <http://www.aboutads.info/choices/> or <http://www.youronlinechoices.com>. You may opt out by clicking here: <http://preferences.truste.com/> (or if located in the European Union, by clicking here: <http://www.youronlinechoices.eu/>). Please note this does not opt you out of being served advertising. You will continue to receive generic advertisements.

Essential website cookies: Because these cookies are strictly necessary to deliver the Websites to you, you cannot refuse them. You can block or delete them by changing your browser settings however, as described above.

What about other tracking technologies, like web beacons?

Cookies are not the only way to recognize or track visitors to a website. We employ a software technology called clear gifs (a.k.a. Web Beacons/Web Bugs), that help us better manage the Website and Subscription Service by informing us what content is effective. Clear gifs are tiny graphics with a unique identifier, similar in function to cookies, and are used to track the online movements of Web users. In contrast to cookies, which are stored on a user's computer hard drive, clear gifs are embedded invisibly on Web pages or in emails and are about the size of the period at the end of this sentence. We use clear gifs or pixels in our HTML-based emails to let us know which emails have been opened by recipients. This allows us to gauge the effectiveness of certain communications and the effectiveness of our marketing campaigns. We tie the information gathered by clear gifs in emails to our customers' Personal Information.

How often will you update this Cookie Policy?

We may update this Cookie Policy from time to time in order to reflect, for example, changes to the cookies we use or for other operational, legal or regulatory reasons. Please therefore re-visit this Cookie Policy regularly to stay informed about our use of cookies and related technologies.

The date at the top of this Cookie Policy indicates when it was last updated.

Where can I get further information?

If you have any questions about our use of cookies or other technologies, please email us at privacy@supplychainwizard.com

Single Sign-On
